**LISTING OF INFORMATION FOR PRINTING ON FACE OF PATENT**

Sir:

In response to the Notice of Non-Compliant Information Disclosure Statement mailed 11/2/07, Applicants submit this paper, listing the following documents considered by the Examiner in parent application no. 29/163,769: (1) U.S. Patent No. 5,195,743 (cited by the Examiner in parent application 29/163,769); and (2) U.S. Patent No. 6,182,324 (cited in an IDS by applicant in parent application no. 29/163,769).

In view of MPEP 609.02, and applicable rules, Applicants submit that an Information Disclosure Statement complying with 37 CFR 1.97 is not required in this application to comply with 37 CFR 1.56, and that the documents listed above have been considered by the Examiner by virtue of their citation and consideration in this

application's parent application. Further, in a telephone conference with the undersigned on November 13, 2007, the Examiner confirmed his consideration of these documents, by virtue of their citation and consideration in this application's parent application.

It is respectfully requested that the two documents identified above which were already considered in this application, and already cited and printed on the face of parent patent D 481,776 (issued on parent application 29/163,769) be printed on the face of the patent issuing on this application, consistent with MPEP 609.02.

Respectfully submitted,

Dated November 21, 2007
